

# Selected Resources on Scent and Sensory Gardens

February 2018

*Magnolias* by K. Rummel

## Introduction

This is a selection of information sources on scent and sensory gardens at the Helen Crocker Russell Library of Horticulture. Cited here are select books and periodical articles indexed in the catalog under the subject headings Sensory gardens, Flowers-Odor, Horticultural therapy, and People with visual disabilities. Also included are vertical files and materials on the Fragrance Garden at San Francisco Botanical Garden. Citations are listed alphabetically by author, and if no author is listed, then alphabetically by title. This guide does not represent the full scope of information on scent and sensory gardens at the Library. For more assistance, please consult a librarian.
