

Welcome to San Francisco Botanical Garden!
 The Children's Garden is our YES space for kids of all ages -
 come on out for hands-on activities and exploration!

Getting to the Children's Garden

Follow these directions for an easy 15-30 minute walk!

- 1** From the Main Gate, follow the path around the right side of the Great Meadow until you see the pond.

The pond:

- 2** Cross the bridge over the pond and continue straight ahead under the trees.

New Zealand Christmas Tree

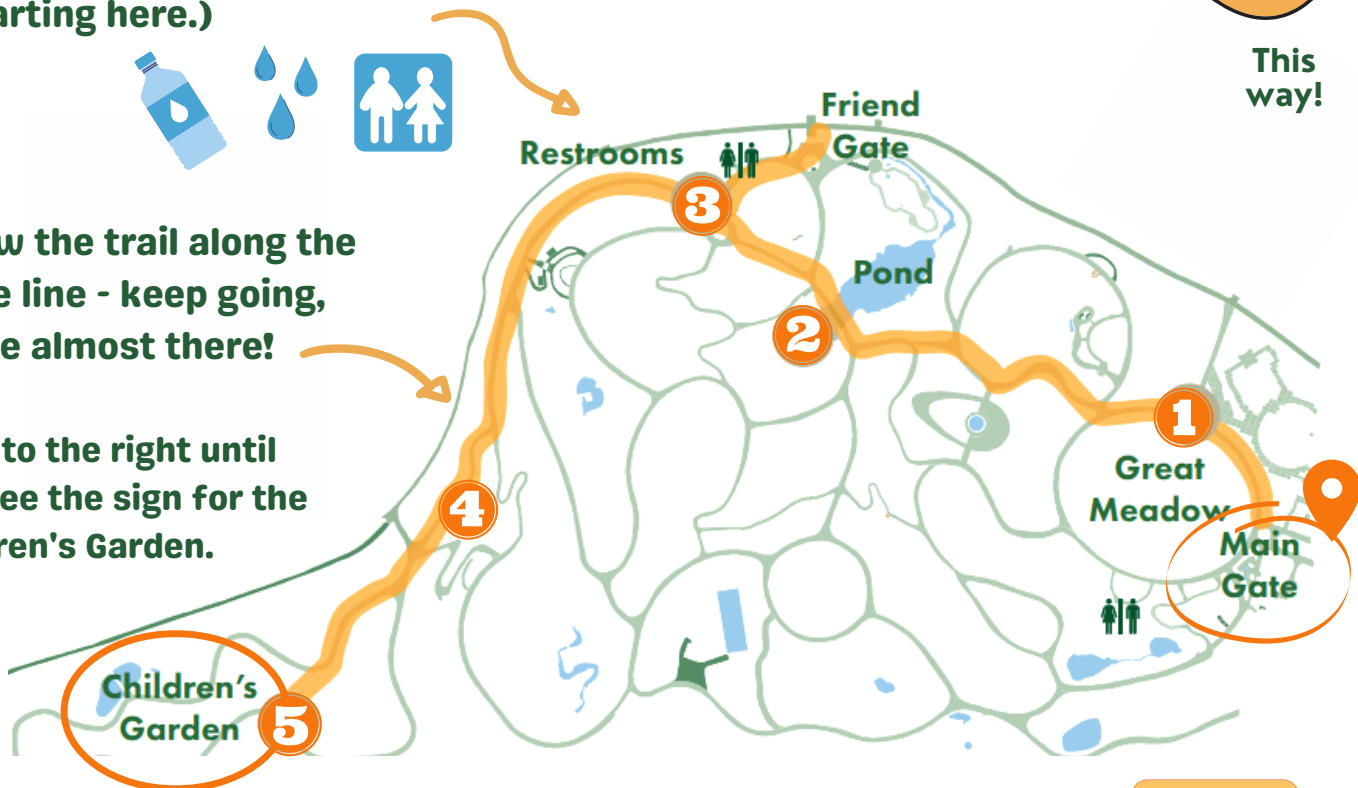

- 3** Look for the restroom sign – make a quick stop here and fill up your water bottle. (If you entered through the Friend Gate, you'll be starting here.)

This way!

- 4** Follow the trail along the fence line - keep going, you're almost there!

- 5** Keep to the right until you see the sign for the Children's Garden.

Exploring the Botanical Garden?

Scan this QR code for Google Maps directions to the Children's Garden:

1

Flower Color Scavenger Hunt

How many different colored flowers can you find?
Keep a tally here!

Take a picture with your group and two favorite plants on your walk, share it with our staff when you arrive!

Stop and listen. Do you hear any singing birds? What about other sounds?

2

Animal finder

How many animals can you find near the pond?

What are they doing? Sleeping? Swimming? Flying?

Have your group pretend to be an animal that they see.

3

Leaf Hunt

Can you find a leaf as small as your thumbnail?

As long as your leg?

Bigger than your hand?

Shaped like your eye? 

Can you find any heart-shaped leaves?

Can you find any round leaves?
